- Only type written computer printed materials (i.e., application, CV, and nominator's letter) will be considered;
- A nominee's CV must be submitted along with the application and should address educational background, professional associates/activities/certifications, and employment history;
- A nominator's letter, typed or printed on plain white paper, must accompany the application; note that, in order to insure impartial judging, the nominee's last name and the name of the nominator must not appear in the letter; the letter should clearly address the selection criteria and provide specific examples of how the nominee has demonstrated characteristics; please organize the letter according to the selection criteria and provide supporting information for each; nominations will be judged according to the quantity, quality, and impact of achievements; decisions will be made solely on the basis of the application, CV, and nominator's letter; additional supporting materials will not be considered.

• Submit the application and the two accompanying documents to FANNP, PO Box 14572, St. Petersburg, FL 33733-4572, Attn: Paula Timoney. E-mail [award@fannp.org](mailto:award@fannp.org)
